

Dear Gwyn Daniel,

Thank you for your email and for sharing your concerns. We share the world's sorrow and shock at the loss of lives, and we condemn all atrocities and attacks on the safety and wellbeing of vulnerable communities across Gaza and in Israel.

The TIHR is an apolitical, not-for-profit organisation with a stated mission of providing opportunities for learning and study for the purpose of bettering working life and conditions for people within their organisations, communities, and broader societies. As such, we do not engage in boycotting activities, but rather, even in the darkest moments of life, the TIHR aims to provide places and spaces where, despite all atrocities and cruelty, it is possible to connect as humans.

OFEK is an independent organisation to TIHR. We believe that OFEK shares the same values and sentiments as TIHR does and as such, I recommend you write to it for further exploration of your concerns.

Wishing you a successful, prosperous, healthy and peaceful 2024.

Kind regards

Eliat Aram
